

Staff Golf Privileges

ALL staff play on a ÷Walk Onö basis only. We do not book tee times under any circumstances for staff to play.

Staff Times

1. Staff can Walk-On any day of the week in the AM off the back nine. Back 9 times are typically open from 7am to 8am.
2. Staff can Walk-On any day of the week starting in twilight. Twilight is typically 5pm.
3. Staff can Walk-On during the day on Mondays if it is slow.

You must check in with the proshop **EVERYTIME** you play, we need to check you into the tee sheet and have you sign cart waivers, just like customers.

Please call the proshop before coming out to make sure there is an opening for you to play. If you are on the course you need to be in proper attire and acting accordingly. If catch up to a group of paying customers, **DO NOT PLAY THROUGH**. Give them enough room to not feel pressured. If a group of paying customers catch up to you, **LET THEM PAY THROUGH**.

Any issues with booking or playing the course at **NO CHARGE** will result in loss of playing privileges.

You can bring 1 guest per staff member to enjoy the course with you during staff times for the cost of \$25 including cart.

PLEASE NOTE: There may be instances where you see other staff on the course in times not outlines above, this would most likely be the Proshop (which have playing privileges as part of their compensation), or a special reason pre-approved.

You may also see the course empty and wonder why you can not go out. With over 100 staff working at the facility it is very difficult for the proshop to make a day by day decision on who can go and who can not go, and at what time. For the fairness of **ALL** staff we will stick to the above staff times **EVERY DAY**. Please respect the proshop for simply holding up this policy. They are not allowed to let anyone play outside of these times.
